DESIGN EXPERIENCE

CROCS • Creative Designer

Broomfield, CO June 2024-Present

Lead creative development for global brand partnerships across social, retail, and digital channels. Own projects end-to-end from concept ideation and set design through production, art direction, and launch. Design campaign systems, toolkits, and launch assets for major franchises including Mattel, Disney, and The Grinch, partnering cross-functionally with marketing and production teams.

STARFACE • Graphic Designer

Los Angeles, CA Feb 2022-July 2024

Designed integrated packaging and campaign systems for product launches and brand collaborations across retail, digital, and e-commerce. Led visual identity execution across Amazon storefronts, print, email, and advertising. Developed collaboration mailers for SpongeBob and illustrated a branded coloring book. Designed dielines and production-ready packaging systems for the limited-edition Sanrio x Starface Star Balm Hello Apple, partnering with marketing and copy teams to align digital and in-store experiences.

AwesomnessTV & Nickelodeon • Youtube Graphic Designer

Los Angeles, CA 2021

Produced digital assets and thumbnails for the AwesomenessTV YouTube channel. Designed social branding and content systems for shows including Next Influencer, Noah Beck Tries Things, Growing Up Eileen, and Sorta Scary Show.

TaskForce & Into Action • Motion Graphic Designer

New York, NY 2020-2021

Designed animated visuals to engage young voters and promote human rights. Gifs featured on Women's March Instagram, Democracy for All, & SwingLeft San Francisco.

Fathom Information Design • Designer

Boston, MA 2020-2021

Designed data visualization products for clearer communication. Designed a series of state cards for the Barbara Bush Foundation to combat adult literacy in the U.S. Creative directed a series of magnets inspired by COVID as holiday gifts for clients.

INTERNSHIPS
